The next meeting of the Society will be on Tuesday 9 May, 7.45 p.m. when Alan Rosevear will give an illustrated account of **TURNPIKE ROADS IN THE VALE OF WHITE HORSE**. Mr Rosevear has researched the Turnpike Trusts of Berkshire and the Upper Thames Valley for several years and is also engaged on a local milestone renovation project.

The last indoor meeting of the present series will be on Tuesday 13 June, (details to be announced at May meeting). It is hoped that we will also be having an evening walk around Denchworth on Tuesday 11 July with Sue Brandon and members of the Denchworth Local History Group. Details available at the June meeting.

There are no indoor meetings of the Society in July and August. The Autumn/Winter programme will start on Tuesday 12 September. Newsletter Number 11 (to be published at the end of August) will contain details of the Autumn programme.
