**The Vicar Writes**

Dear Friends,

This past month has reminded me how well the village gathers together to help people in need. A number of our villagers have been bereaved, and in my visits to them, they have expressed deep gratitude for the way in which neighbours and people in the village called in to support, to drop off meals and generally to be a listening ear and support. This kind of community spirit is hugely appreciated and makes Stanford a great place to live.

One of the privileges of being a vicar is being alongside families in their celebrations and times of need. It has been great this summer to conduct weddings, and already I am liaising with 8 couples about their weddings next year. But I also spend a lot of my time with people in need and helping them prepare for difficult times.

In the past few months a number of villagers have asked to see me to discuss their funeral wishes. They were not unwell, but had been thinking ahead and had decided to set out their plans to save loved ones difficulty and decisions later on. We discussed burial or cremation, what kind of service they wanted, and where. As a result, they and I have a sealed envelope with their wishes which I can discuss in due course with family, saving them a lot of angst. This is one of the many and varied confidential things vicars do, and I am always available for such meetings.

Whilst writing, I would like to ask for your help. A number of granite and other flower vases have been taken from the churchyard in the past month, causing distress to the families concerned. The police inform me that sadly, this is happening in other local churchyards. If you happen to see a granite vase thrown in a hedge or somewhere in the village, please can you let me know? I can then inform the family concerned. Thank you.

With my prayers and best wishes Paul

## Community Bus

If you are new to the village you may not be aware of the services that the Community Bus provides. Organised and driven by volunteers there is a regular timetable service to Faringdon and Wantage on four days a week. The timetable can be found at <http://www.stanford-in-the-vale.co.uk/pdf/bustimetable.pdf>.

## Community Bus - Correction

In last month's appeal for drivers I incorrectly stated that to drive the bus you needed to have passed your test after 1st January 1997. It should, of course, have said before 1st January 1997. So just in case you were put off by this disinformation, we are still very keen to hear from anybody who thinks they can help. Please ring me on 01367 710494. John Smith

**Tommy Robertson** Thank you to all who contributed to the Intensive Care Research fund in memory of Tommy Robertson. £882 has been raised. John, Amy and Liz are very grateful for all the cards, kind wishes and support they have received over the last two months. It is much appreciated. Liz

## **RBL Poppy Fund 2015 House-to-House collection**

Owing to a variety of reasons, several of the long-term house-to-house collectors cannot help this year. At the same time there are more houses in the village to be covered. If you would be prepared to volunteer to become a collector please get in touch with me. For the last few years we have raised increasing amounts of money for this very good cause, but I fear that we will struggle this year. **Joan Greenwood Tel: 01367 710578**

### October - Stanford Pre-school News

Our new children seem to be settling in well to pre-  
school life and the staff are focusing on getting to  
know them and their families.

We have been busy talking about our families and  
drawing 'self- portraits' for our yellow books.

The children and staff have been on several walks  
around the village listening out for sounds and talking  
about road safety.

At group time we have been enjoying the story of  
'We're going on a bear hunt', the children love joining  
in with all the repeating parts, and joining in with the  
actions. We are going to be making a Bear Hunt
