#### The Vicar Writes .....

I hope that you and your family had a great Christmas and are looking forward to all that 2018 might bring.

Here at St Denys we are excited about developments this year with, hopefully, the Phase One of the Reordering being started – more about that with the February newsletter.

But as a church we are also keen to focus on *people*, and not just buildings!

As such, our **Messy Church** congregation continues to grow – now 220 adults and children have attended our monthly gathering at 4pm, on the 4<sup>th</sup> Sunday of the month in the Village Hall. In addition, this year, we will be offering the following resources to help the community:

**Parent Talk** – two six-session, DVD-based courses for parents looking at parenting children of Primary School and Secondary School ages. These courses are designed by *Care For The Family*, a highly respected charity.

**The Marriage Course** – a very practical, encouraging course for any couple considering marriage and for those who are and who want to continue to strengthen and deepen their marriage.

**Money Management Course** – we shall be offering a 3-session evening course through our trained CAP course leaders for anyone who in this new year, wants a helpful structure to manage and budget their money more effectively.

**Start Course** – an opportunity to explore where you are at in life, what you believe about God and faith in a non-threatening environment over 5 sessions in a local home.

Details of all these resources, and more, will be included in a new **Church Website** we are developing, which will soon be able to be found by logging on to **www.stdenys.org**. We will also soon be launching our own **Facebook** group to help keep people up to date.

In the meantime, if you are interested in any of the above, do email me on [vicar@stdenys.org](mailto:vicar@stdenys.org), or call me on 01367 710267.

Yours **Paul** **Revd Paul Eddy, Vicar**

### **Stanford Volunteer Taxi Service**

If you need transport for a medical appointment please phone

**MARJORIE GOODING 01367 710656**

Many thanks to Marjorie for offering to take on the organising. As much notice about any appointments makes things easier and more drivers would be greatly appreciated.

### **Thank You**

The family and close friends of Dorothy Williams would like to thank all relatives and friends for the cards of sympathy received following the sad loss of dear Dorothy. Grateful thanks to all those who attended the funeral and kindly gave donations for Cancer Research. Finally a sincere thank you to Rev Paul Eddy and all at J. Godfrey & Son for the respect and caring they have shown at this difficult time.

### **Many Thanks**

Gill and Maria would like to thank everyone who helped, donated gifts and came to their recent coffee morning. An amazing **£1290.00** was raised for the **Kamran Ward** at the **John Radcliffe Children's Hospital**. They have been contacted and various items have been bought off their wish list. The rest has been given as a monetary donation. Everything has been taken to the ward.

Gill and Maria are so grateful to you all. Thank you.

### **FARINGDON & DISTRICT U3A IN JANUARY 2018**

**The Annual January Japes** will be held in the Faringdon Corn Exchange on **Thursday 11<sup>th</sup> January 2018**. Times are 12.15 for 12.30 start. Details of the meal will be available in the magazine or online in December, and tickets at £15.00 each need to be booked in advance. The meal will be followed by entertainment by **Dave Headey**, a local singer and actor. This promises to be different and “special”. Members who do not wish to come to the meal are welcome to come to the entertainment only at 2.30pm.

U3A is also branching out with a film on “Coast and Sea” on **Thursday 18<sup>th</sup> January** in the Corn Exchange at 2.30pm. The film comes from the “Britain on Film” series which is newly produced by the Independent Cinema Office in conjunction with the British Film Institute. Relive the holidays of your youth along with learning about the trades and customs of coastal life. *This film is for members only in order not to contravene our hiring conditions.*

opportunity to create some fabulous works of art; colouring in beautiful Rangoli patterns and creating some fantastic firework pictures using brightly coloured paints on black paper. We spoke about celebrations and the children loved creating their own birthday party in the mud kitchen, making mud cakes and topping with candles and writing party invitations.

We have been learning about shapes and finding them in our environment, singing songs to help the children remember the different properties and making arrangements and patterns with them.

The children have been enjoying learning about similarities and differences. We have been discussing their families and how they are similar and different from their friends. They have been painting self-portraits and making faces using buttons and wool.

Our next focus is of course Christmas! The children have been making salt dough decorations and Christmas cards and practicing our songs ready for the Christmas performance at the Church.

Please note: The Pre-School operates a waiting list, we advise parents wishing to secure a place for their child at the Pre-School to get their name down on to the waiting list as soon as possible. You can do this by contacting the Pre-School or popping in for an Enquiry form. Tel: 01367 718696

### Stolen Lead from Preschool Roof

*Approximately 2 weeks ago (we can't be sure exactly when) the lead covering was stolen from the roof of the preschool, this has caused the rooms inside to flood. If anyone saw anything suspicious, or has any other information about this theft could they please get in touch? Tel. 01367 718696*

We are the School Council of Stanford in the Vale CE Primary School. Please read our school report below.

**Foundation** have been taking a stroll through the deep, dark words and exploring Julia

Donaldson's books: The Gruffalo, The Gruffalo's Child and Stick Man. They had a great time at Badbury Clumps hunting for Stick Man

**Year 1** have been learning all about bears. They have studied maps to see where they live and have designed and made coats for Barnaby Bear to wear. They even had a special Teddy Bears' Picnic at Forest School, it was lots of fun!

**Year 2** have been exploring the jungle through writing non-chronological reports. We have also looked at block graphs and pictograms about what our favourite jungle animal is.

**Year 3** had an amazing time at the Living Rainforest in Newbury where they learnt how plants and animals adapted to their environment. They have also made mud maids in DT to help us visualise our story of the Lost Gardens of Heligan.

**Year 4** have been learning about the migrations of different animals. We found out how the Arctic Tern flies from the Arctic to Antarctica and back every year. We then went on to write our own reports about the migration of the Northern Elephant Seal, an incredible creature.

**Year 5** have been learning all about Ancient Egypt including the physical geography and the way in which the Ancient Egyptians lived.

**Year 6** have been learning about radar and how it identified where the Germans were as part of their WW2 topic. They have also learnt about some of the key places in WW2 including Dunkirk, London and Berlin.

### Diary Dates
