### **Vicar Writes** .....

June is upon us again and as a church, we are working hard to organise and host the annual Stanford Village Festival over 15/16 June.

This is a weekend which brings the whole village together, young and old, new estate and older parts of the village. A great time to meet each other, to catch up and have fun. It also falls on Father's Day and so a great time to share time with dad or remember dad in a specific way.

We are very grateful to the many local companies which kindly help by sponsoring this community event, without which we would not be able to provide two days of fun and community gathering.

This year it would be great if we could have a few more villagers prepared to help on one of the many stalls, even for one hour. If you would be prepared to sit on a stall and help, even as a one-off, then please can you contact me, or Janet Warren and we will work out a slot to suit you. The more people who offer help, the less hours all volunteers will need to help – for the benefit of all the village.

So please do be in touch if you can help this year, and I very much look forward to seeing you – and lets pray for great weather!

Kind regards

**Paul**

### **Popsie Lucas**

**Thank you** to all the people who sent cards and messages on the loss of Popsie and those who came to the church service. It was such a great comfort to know that people care.

Tony and Pauline

#### Sunflower class

In Snowdrop class this term, our topic is called 'Calling all Superheroes.' As part of this, we went to Superhero School. We learnt to fly, made up superhero names and costumes. It was great fun.

#### Snowdrop class

This term in Snowdrop class, our topic is Toy Story. We are looking forward to having a Teddy Bear's picnic and visiting Wantage Museum to learn about different toys.

#### Buttercup Class

In Buttercup class this term we are learning all about Space. We made our own Alka-Seltzer rockets and fired them outside. We then wrote instructions about how to do this for somebody else to follow.

#### Bluebell Class

In Bluebell Class this term, our topic is Inventors and Inventions. As part of our English work, we learnt about an invention called The Teacher Pleaser which makes grumpy teachers happy. We then made up our own inventions and explained how they worked.

#### Poppy Class

Our topic in Poppy Class this term is Extreme Earth. As part of this, in small groups, we made our own volcanoes by creating reactions between bicarbonate of soda and vinegar and then mapping the flow using playdough. We watched the layers of playdough build up over time and then investigated them later on.

#### Orchid Class

Our topic in Orchid Class this term is the Ancient Greeks. We are looking forward to holding our own mini Greek Olympics and to designing and making Greek theatre masks.

#### Forget-Me-Not Class

In Forget-Me-Not Class we have been very busy preparing for and taking our SATS tests. Everyone has worked very hard and we are now looking forward to auditioning for and starting to make our end of year production. Watch this space!  
Thank you for reading our report.

### Stanford Pre-school News

We welcomed groups of parents to take part in woodworking demonstrations this term. We wanted to share with them exactly what their child would be enjoying at Pre-school over the coming months; as our new and exciting woodworking initiative takes shape!

The children have loved working with clay this term and creating wonderful 'Under The Sea' themed creations for Stanford Festival! They have also enjoyed planting beans and talking about what they need as we watch them change and grow.

We have been outside a lot over the last few weeks, enjoying the sunshine! We have been finding out about ladybirds, pretending to be 'Pre-school ladies' and taking 'group time'! There have been amazing robots built out of crates and wooden blocks and the very popular play theme of Pirates has occupied lots of children over the past few weeks!

Next term is going to be very busy as we prepare our older children for School. This includes School visits on special days such as Sport's Day and also visits from teachers from Foundation.

We still have a few spaces left on our register for this September! If you are interested, please either log on to our website and download an enquiry form or call in and see us.

Please note: The Pre-School operates a waiting list; we advise parents wishing to secure a place for their child at the Pre-School to get their name down on to the waiting list as soon as possible. You can do this by downloading an enquiry form from our website: [stanfordpreschool.org.uk](http://stanfordpreschool.org.uk) or calling in for an enquiry form. If you have any questions, please call us on 01367 718696
