This service is financially supported by		
Oxfordshire County Council		

The Community Bus Service is driven and organised entirely by volunteers, who give freely of their time to provide a bus service for those people in the villages between Faringdon and Wantage who rely on public transport to gain access to the shops, Health Centres and other essential services.

As a bus user, if you know of anybody who might be able to give a little of their time to help to keep this valuable service going, please contact John Smith on 01367 710494. Thank you
