Help for Rainbows

Stanford Rainbow Guides is a thriving group of 5 to 7 year old girls who meet between 4 and 5pm on term time Monday evenings at the small village hall, for games, craft and fun.

At present we have 15 girls and 2 leaders, keeping a comfortable ratio of 8 girls to 1 leader, ensuring all the girls get the attention they deserve.

We have had a sudden influx of enquiries re girls joining our group. We cannot accommodate these girls without adult help.

Could you spare an hour a week or a fortnight to join us in encouraging and supporting our Rainbows with crafts and activities.

If you would like more information please do not hesitate to call me on 01367 710171.

May I also suggest that those with girls under 5, who may like to join rainbows when they are 5, phone me and add their names to the list as priority will be given to those on order of entry?

I look forward to hearing from any who can help as it would be wonderful to be able to welcome more Rainbows to our group.

Kind regards Sarah Fuller
