### The Vicar writes :-

Last year, the Village Festival was one of my highlights of my first year here in the village – and from what I can see, this year's festival is going to be even better! It did strike me last year that it was a shame that we didn't include Father's Day into the proceedings somewhere and so this year, we have changed the format of the Sunday afternoon slightly.

In addition to all the usual side stalls and entertainment, we have booked Steve Legg, an Escapologist and entertainer, who has entertained crowds across the country, both on

stage and in the open air. Steve will be of interest to all ages, so do make sure you catch him!

The Wantage Silver Band will once again be with us, and Steve Legg will also lead with me, a slightly earlier Songs of Praise-style event in which will incorporate a remembrance of father's day, and all that father's do for us. There will be traditional and modern songs to join in with, and for those who don't want to sit and take part, the usual stalls will be still open.

The event will, of course, end up with the great Annual Egg Throwing Challenge, organised by the Stanford Drama Group! I would like also to express my sincere thanks to all who have worked so hard behind the scenes to make the festival possible, to all those groups taking part and to the very many people who have sponsored events in any way.

The Festival weekend is a great opportunity for the whole village to come together and I look forward to seeing you all soon.

Yours *Paul* **Revd Paul Eddy** Vicar

### **Neighbourhood Planning**

Following initial analysis of the data from the questionnaires and feedback from the Drop In Event, we recommended an alternative to the Strategic Site, proposed by the VOWHDC in their local plan. It was discussed by the Parish Council and a proposal was made and unanimously accepted. It was forwarded to the District Council for consideration.

The VOWHDC have acknowledged receipt of the Parish Council's proposal. They expressed appreciation of the thoughts of the community and will consider it along with a huge volume of other comments received on their Local Plan. It is fair to say the Council's Local Plan has not been well received, not just by our community but by all across the entire District and let us hope that our comments and feedback are listened to and acted upon.

We are continuing to analyse the data received from the questionnaire. It has now all been input into a format which allows for easier analysis, To give you a flavour of some of the more significant findings to date:

- *The vast majority of you supported the vision for the Neighbourhood Plan and proposed objectives*
- *There was near-unanimous support for conserving the nature and ecology of the parish and retaining the look and feel of the village,*
- *Most respondents believe that we must avoid making congestion, parking and road safety worse, there should be no development in the conservation and conservation target areas, and improved infrastructure should be put in place prior to any new development*
- *A majority of people wish for the school to stay where it is. However, nearly two-thirds of you acknowledge the need for a larger capacity primary school.*
- *Traffic is clearly an issue as most of you would like to see more off-road parking and over 50% would*

*support parking restrictions in busy areas.*

- *There is only limited support for the VOWH Council proposal for 290 new homes on one big site west of the A417. However, opinion was more evenly divided on the option to put some of the proposed new homes on the existing recreation/football field subject to better replacement facilities being provided first.*
- *In excess of 50% of you required improved sporting facilities (in particular more football pitches, tennis courts and a cricket pitch), more opportunities for local employment, better broadband and public transport provision.*
- *The survey showed support for more and better footpaths, cycle routes and bridleways, as well as the need for local health facilities and a creche or nursery.*
- *There is also support for better provision for young people in the village, in particular a youth club and a Scout & Guide hall or hut.*

We will present our finding in more detail at the Stanford Summer Festival on the 14<sup>th</sup> and 15th June. We will summarize our findings to date and have more detailed information available for you to view if you so wish. There will be members of the Steering Committee in attendance so should you have any questions or further suggestions please feel free to engage us.

We will also be publishing findings on the website in due course. (NB Please do understand that some information cannot be shared fully due to the wishes of the respondents and the requirements placed upon us by the Data Protection Act)

Thank you again for your support, and a particularly thank you to the Parish Council for their continuing support and positive reaction to your thoughts and suggestions.

### **Thank You's**

#### **Belinda Harrison**

I would like to say a heartfelt thank you to everyone who helped arrange and organise my leaving Tea-Party in March, and to everyone who came along; it was a truly lovely afternoon. I feel hugely privileged to have been part of Pre-school for so long and to have known so many wonderful children and their parents. I have many happy memories from my Pre-school years, and the lovely tea-party is another one to add to the collection. Thank you. **Belinda**

#### **Vera Smith**

Vera would like to say thank you to everyone who sent cards and flowers following her recent operation.

The refrigerator in the kitchenette at the Village Hall needs to be replaced, and the Management Committee wonders if anyone in the village has an old, but still serviceable, fridge that they would be prepared to donate to the Hall.

It has to fit in a restricted space, so max. height must not exceed 36 ins. (91 cms.) and max. width 24 ins. (61 cms.).

If you can help, please contact 01367 710578

### **STANFORD DRAMA GROUP**

**From the 3<sup>rd</sup> - 5<sup>th</sup> July**

**Stanford in the Vale Drama Group** hope to entertain you with their summer production of ***HOLMES SWEET HOLMES & JEKYLL IN HIDING***  
*by Jim Sperinck*

Major and Mrs Bennington-Smythe live at 221 Baker Street and certainly have no idea what is going on under their own roof. However, they do know that Mr Holmes can NOT play the violin. In an attempt to get away from the noise they answer an advertisement, for alternative accommodation, placed by a Dr Jekyll!

It doesn't take a genius to realise that this is a recipe for a very silly and confusing production but it makes for a really fun evenings entertainment.

At the end of the performance you may want to re-assess the comings and goings of YOUR neighbours.

**Come and join us at Stanford Village Hall by purchasing tickets from Stanford Post Office or telephoning 01367 710400. Tickets £6.00 or £4 concessions. Doors open 7.00 for 7.30 pm**

A good opportunity for sharing music and performing in front of others, for all levels from beginners up! If you would like to be involved, please contact Joy Hindson on 718552 or [joy\\_hindson@hotmail.com](mailto:joy_hindson@hotmail.com)

## Horticultural Show

The show will take place on **7th September**. The handicraft classes are detailed below so that you can start work on your entries.

66. A hand-knitted article.

67. Jumpers and hats for "Fish and Chip Babies". One set to be entered for judging but additional sets for donation will be welcomed. (Pattern available from Show Secretary)

68. Item of Crochet.

69. Item of cross-stitch – maximum size 9" x 7" worked area.

70. Item of cross-stitch – more than 9" x 7" worked area. (May measure less in one dimension. eg 10" x 6")

71. Stuffed Toy – any medium.

72. A hand and/or machine sewn article.

73. Original hand-made article for use or decoration – any medium not included in other handicraft classes.

Item 67 is for donation to a charity that supports poor babies in Africa.

67. "Fish and Chip Babies" are really poor babies, many of whom are born with AIDS. They are so poor that they are often sent home wrapped in newspaper, hence their name. The jumpers are easy to knit in one complete piece. They should be knitted in bright, dark colours rather than pastel shades. This is because these little garments may never be washed.

### Environmental Day

On Friday 16<sup>th</sup> May the whole school took part in an environmental day. Each class kept their lights off and didn't use anything that required electricity. For our lessons, we went out into the village to complete some field study activities. We also took part in 'The Big Tidy Up' where each class took litter pickers and bin bags to different places around the village to pick up the litter.

### A Day at the River

As part of Snowdrop's topic on Journeys, Year 1 spent the day at Henley River. The children went to the Rowing Museum and had a sunny boat trip along the River Thames. It was a fun day out.

### Forget-me Not's Summer Topic

Year 6 have now completed their SATs! They will now start their Summer Term topic of 'The Lion King'. Children will start auditioning for parts in their end of year performance as well as lots of other activities linked to Africa and The Lion King.

### Poppy Class at the Ashmolean Museum

In Poppy Class, we are finding out about the Ancient Egyptian's. We spent the day at the Ashmolean Museum in Oxford. We saw lots of artefacts, including some mummies. We had a great day out.

### Sports

Our school has taken part in lots of sporting activities with other children from our partnership of schools. We have competed in lots of sports such as tennis, basketball, cricket and football. We have really enjoyed representing our school at lots of different competitions.

## June - Stanford Pre-school News

Our new children have settled in well and are enjoying the resources at Pre-school. We are looking forward to enjoying lots of sunshine and water play to cool down this term. The children have enjoyed planting in the 'Sensory Garden' and we are now growing herbs, potatoes, tomatoes, peas, strawberries and raspberries to eat at snack time. We hope to add resources to our garden over time - budget willing.

This month we will be closely watching our tadpoles as they change into froglets and we will be making our festival display - please look out for this over the festival weekend in the Church. We will also be making something special for our daddies and having a health and fitness week in the lead up to joining the Primary School for Sports Day.

We still have sessions available in September and would love to hear from anyone thinking of joining. Maybe you can think of a friend looking for a Pre-school? If so, please let them know about us! Children can do a variety of sessions: mornings, afternoons, all days or a mix of sessions. Please contact our Enrolment Secretary on:

[enrol@stanfordpreschool.org](mailto:enrol@stanfordpreschool.org). Alternatively, if you would like to pop in to meet us, please ring to arrange a convenient time on: 01367 718696

We hope you will all come and visit us at our stall at the Village Fete. We will have a range of things for the children to enjoy.
