Vicar Writes 'Saying Goodbye Service 15 October 2016, 4pm'

Over the 20 years or so that I have been helping people with Bereavement, and now as a Vicar, I have become increasingly aware of the pain many parents live with having lost a child.

Whether it is being through a miscarriage or stillbirth, or losing a child in early, or even latter years, the pain of losing a child is unique and is often a 'silent grief' that many do not share.

As a result of speaking to parents in the village who have lost a child, I have decided to host a '**Saying Goodbye Service**' at **St Denys on Saturday 15 October at 4pm**. 'Saying Goodbye Services' have

become very popular nationally, as they seek to support parents in their grief.

The service is for anyone who has lost a child at any stage of pregnancy, at birth or in infancy, whether the loss be recent or 80 years ago. The services are completely free to attend, and are open to anyone of any faith or no faith. The service will last approximately 40 minutes and include some hymns, readings, music, and opportunity to reflect and to light a candle in memory of those you have loved and lost. After the service, St Denys will provide tea/coffee and cake.

Loss at any stage is traumatic. Early loss is often not acknowledged or discussed, with commemorative services seldom taking place. Services for babies who are stillborn or lost in early years, are usually conducted while parents are in a fog of grief and pain.

This service will give you the opportunity to stand with other people 'who know' the pain of losing a child, and offer you a time to publicly acknowledge and remember children who have been lost.

Anyone can come. No-one will be asked to share anything and for the privacy of all concerned, we shall have one communal rule, that of not disclosing who attended the service. For many, their loss is still private and they may wish to keep it so and therefore that is to be respected.

I do hope that if you have lost a child, or know someone who has, you will come on October 15 to what I pray will be a time of healing and support.

Yours
Revd Paul Eddy Vicar

Community Bus

On September 30th after 34 years of continuous service the Community Bus will cease operation. In 1982 when the bus was introduced to provide a service to Faringdon and Wantage from Stanford and the seven other villages it was replacing an Oxford South Midland service that was being withdrawn. With the introduction of the new 67 hourly service which started in July our "journey" has come full circle.

The committee is of the opinion that it is not viable to continue to operate our services alongside this new, more regular service which runs six days a week. This is funded by Section 106 money from the housing developments and there is a contract in place with Oxfordshire County Council which means that it will continue at least until July 2022. The committee regrets any inconvenience that will be caused, especially to those villages other than Stanford which will be left with no service but feels that there is no alternative.

I would once again like to thank all those people who have made it possible to operate a reliable service over the past 34 years. This includes the drivers, committee members, parking providers, maintenance, bus cleaners and of course our loyal

passengers. We have also enjoyed the support of the District and County Councils.

AGE UK BIG KNIT

Last month I wrote about Age UK's Winter Warmth campaign and encouraged people to join in the Big Knit project to raise money for it. The project involves knitting tiny woolly hats, to fit on the top of innocent smoothie bottles, which will be sold in stores at a later date, generating 25p per hat for the campaign.

Last year, from Stanford, we sent in 1895 hats, raising £473.75.

Would you like to help us raise more in 2016?

Here are a couple of web sites you might like to look at for pattern ideas, but plain and simple ones are just as acceptable. thebigknit.devonartist.co.uk

thebigknit.co.uk If you would like to help with Stanfords contribution contact me on the number below. I can then provide you with wool, keep you updated with any further information, such as the collection date, and let you know about any possible knitting get-togethers I might arrange. Hope to hear from you

October - Stanford Pre-school News

The children have settled back in well after the long summer break and are enjoying re-discovering the Pre-School room and garden. The children have enjoyed sharing what they did with their families

and holidays that they have been on over the break. They have made their own postcards depicting their holidays with some wonderful pictures and descriptions of where they went and what they did. We will be cooking Apple Crumbles using ingredients from our village and blackberries collected by the children.

We are going to finish the term off with an open morning for parents to stay for the morning at Pre-School and see what their children get up to when they are with us.

We will have our Pre-School A.G.M on the 20th October at 8pm - everyone is welcome.

We are the School Council of Stanford in the Vale CE Primary School. Please read our school report below.
