### Vicar Writes .....

As I wrote this piece for May's newsletter, it is the morning after the tragic fire at Notre-Dame, Paris and I note an incredible picture taken by a Reuter's photographer (see below).

Hope amid the rubble: surrounded by damage, devastation and the broken hearts of a nation, a cross remains standing and unscathed in the cathedral.

What a symbol for Holy Week. On Good Friday we remembered how Christ on the cross was entering the mess, pain and suffering of humanity - coming alongside us in the heat of our suffering, in the heart of our darkness, in the rubble of our shattered aspirations.

Last month, in Paris, in the blackest night, in the fiery furnace, as countless numbers stood and wept, the cross still stood. And so too in our darkest times, in our deepest trials, as we weep in perplexity and pain, the cross still stands for us also.

This is no absent God offering abstract algorithms to account for the human condition. This is a God who in Christ comes to us, enters into the pain and suffering of our humanity and tells us, gently, that while we may not understand all that life throws at us, He is here with us.

And while the great schemes of human architecture may, even for many generations, rise proudly into the sky displaying human hopes and aspirations, ultimately each in its time will fall. The story of Babel will be

repeated in an endless cycle until we learn that there is something bigger that matters more.

What is the most important thing in life? Our plans? Our buildings? Our grand ambitions? Or the persistent call of a loving God who comes to us in Christ, suffers and dies with us and says, "*Come... Come and find life in all its fulness. Die to self and live life to the full. Set aside your human dreams and aspirations and be reconciled to me so that you may flourish as you were intended to.*"

See the cross in Notre Dame. See its presence amid the rubble of human beauty as a picture of our earthly condition. All our dreams and hopes will ultimately crumble and collapse too, the inevitable result of our natural sin and selfishness. But God does not leave us in the mess in which we find ourselves. He comes, surprisingly, unexpectedly, humbly, challengingly, in a cross, and says, "*Turn around. Wake up. Arise from the futile pursuit of what will turn to dust and find what you were made for truly.*"

Look to the cross.

Yours **Revd Paul Eddy** Vicar

### Vandalism in the Village

Like the majority of Stanford residents, the Parish Council is extremely disappointed and frustrated to have discovered a number of our newly planted fruit trees had been uprooted, just to burn the tree stakes. There is no excuse for this criminal damage to a community asset. Volunteers now have to replant and restake the trees, incurring additional unnecessary expense, all because of the selfish actions of five youths during the evening of Wednesday 17 April.

The matter has been reported to the police. If you should witness any acts of vandalism, given the lengthy delays to get through to 101, worth making it either via 101 or via the "Report" section of <https://www.thamesvalley.police.uk>

### Hedgehog Release

We will shortly be releasing three hedgehogs back into Stanford in the Vale.

These three little animals were found here late in 2018, still juveniles, very thin and underweight. They would not have survived through the winter.

They are now all very plump and healthy! If you see them in your gardens, water in a saucer would be very welcome. And if you want to feed them, cat or dog food or re-hydrated mealworms are best. Please **no** greens, bread or milk or scraps from the table.

Their preferred diet is earthworms, slugs and beetles. Many thanks Neil & Janet Thompson

### Stanford in the Vale, Repair Cafe

On Tuesday 16<sup>th</sup> April we had the first meeting to discuss the formation of a **REPAIR CAFÉ** in the Village **COFFEE SHOP**. The idea is that the Café will be set up in the Coffee Shop to endeavour to repair household and electrical equipment very cheaply for anyone in the village.

A number of 'repairer' volunteers came to the meeting together with two members of the Wantage Repair Café, who gave us some valuable information on how to set up the Repair Café. We aim to open the Repair Café for the first time, for a couple of hours on a Saturday afternoon in the Coffee Shop; probably beginning at the end of June. The idea is that people can bring along their broken items such as toasters, table lamps, garden shears for sharpening etc. Depending on the success we can then decide how often we should regularly open. More information will be forthcoming nearer the time

The Repair Café will be part of the Oxfordshire "Community Action Groups".

**Artweeks 2019 Showcases Stanford  
in the Vale Artists**

The Oxfordshire Artweeks in May is in its 27<sup>th</sup> year featuring a huge variety of media; painting, photography, textiles, sculpture, ceramics, furniture, glass, mosaics, jewellery, and much more throughout Oxfordshire. This is a fantastic opportunity to meet the artists, to talk about their work and buy unique pieces. Entry to all these exhibitions is free and provides a way to enjoy visual displays in a relaxed environment with direct access to the artists.

**From 11-19 May, Stanford in the Vale is hosting two Artweeks locations featuring local artists and their creative work. The Garden Studio offers a beautiful**

garden setting for hand-built pottery, collage art, handmade jewellery, glass art and bespoke furniture. Featuring the creations of **Noriko Macfarlane, Kerry Houghton, Chrissy Morton and Jamie Macfarlane. The Garden Studio is open every day from 11 to 19 May from 11am to 6pm 53 High Street - (195 in the Artweeks Guide)**

**Anne Mills** is showing her stunning and imaginative digital art as well as her artisan skills in the form of beautifully hand-crafted wooden bellows featuring local content. **Anne Mills is open for visitors 11 and 12 May and from 16 to 19 May from Midday to 5pm 22 Bow Road - (194 in the Artweeks Guide)**

Support our local artists by dropping in and seeing what they are doing, and let your friends know what great things are being produced in your Village! Check [www.artweeks.org](http://www.artweeks.org) for more information about Oxfordshire Artweeks.

**Stanford Pre-school News**

In preparation for Mother's Day the children were learning songs, planting Sweet Peas and writing about what they love about their Mummy's. We then welcomed lots of Mummy's to Pre-school for a special Mother's Day Stay & Play morning.

In the last week of term we had the pleasure of taking the children to visit the Church. The Vicar, Paul Eddy, told the Easter story and explained the significance of giving Easter eggs. The children sat at the front of the church and as Paul talked, he pointed out the story depicted in the beautiful stained-glass

windows. They also got to ask questions and enjoy a little chocolate egg! We had some fantastic comments from the children - "Jesus tells Santa to give us presents at Christmas", amongst others!

One of our members of staff has undertaken some very exciting woodwork training with Pete Moorhouse a leading authority in woodworking in the Early Years. We are hoping to be rolling this initiative out in the new term!

Please note: The Pre-School operates a waiting list, we advise parents wishing to secure a place for their child at the Pre-School to get their name down on to the waiting list as soon as possible. You can do this by downloading an enquiry form from our website: [stanfordpreschool.org.uk](http://stanfordpreschool.org.uk) or calling in for an enquiry form. If you have any questions please call us on 01367 718696

We are the School Council of Stanford in the Vale CE Primary School. Please read our school report below.

**Snowdrop Class**- In Snowdrop class this month, as part of our Pirates topic, we have enjoyed learning sea shanty songs complete with actions.

**Buttercup Class**- In science this term, we have been studying plants, particularly bulbs and seeds. We have enjoyed planting Gladioli bulbs and sunflower seeds as well as investigating what happens to daffodils if the water is coloured.

**Bluebell Class**- In Bluebell Class this term, we have enjoyed cooking different dishes. So far we have made beef tacos, spaghetti bolognese, chicken stir fry and chicken curry. Yum yum!

**Poppy Class**- In Poppy Class, we were lucky enough to have a visit from a Viking. He invaded our classroom and invited us to join his band of warriors. We had a great day acting out stories, examining Viking weapons and making a fire.

**Orchid Class** -To round off our topic on Scandinavia, we hosted a Scandinavian café where we invited parents in to try different foods from this region. Everybody was brave and tried something new and we enjoyed discovering different, delicious foods.

**Forget-Me-Not Class**- In Forget-Me-Not Class we have been enjoying our basketball sessions in PE as well as mindfulness Friday sessions, where we write nice things about our classmates.

Thank you for reading our report.
